## ABOUT US

Theotis Mutemi Legal Practitioners is a tenacious and adaptable legal firm in Zambia known for its high ended solutions in legal and consultancy services. Fulfilling the vision of the founding Partner Ms. Anne Desiree Armanda Theotis, the firm draws on the country's top legal talent in a bid to provide quality service to clients, both international and local.

We have a reputation for providing exceptional legal services. We are renowned for our commitment to excellence and our ability to find innovative solutions to complex legal problems.

We value and maintain the firms highly treasured reputation for getting things done and nothing short of our repute is acceptable.

## OUR MISSION

To provide unparalleled legal services with unwavering integrity; ensuring client satisfaction, while fostering professional growth and prioritising the well-being of our exceptional team.

## OUR VISION

To be recognized as a leading law firm whose commitment to integrity, client satisfaction, and the professional growth of its lawyers fuels a relentless pursuit of excellence, ensuring that every interaction is a testament of our dedication to putting clients and our team first.

## OUR PARTNERS

Anne Desiree Armanda Theotis is the Managing Partner of the firm and has over 28 years of distinguished practice as an Advocate. She is widely respected for her extensive litigation experience before all levels of the Zambian courts where she has successfully represented clients in complex and high value matters. Complementing her courtroom expertise Amanda is also a seasoned Alternative Dispute Resolution (ADR) practitioner, serving as an Arbitrator, Adjudicator and Mediator. She is a fellow of the Chartered Institute of Arbitrators (CIArb) and is listed on both the local and international panels of the Lusaka International Arbitration Centre (LIAC) and CIArb. As Managing Partner she combines deep legal knowledge with a commitment to professional excellence, guiding the firm's strategic direction while fostering a culture of integrity innovation and client focused service.

Joy-Rachel Mutemi, Partner and Head of TMLP's Litigation & Dispute Resolution Department, is a highly skilled attorney with over a decade of experience at the Zambian Bar. She excels in civil and commercial litigation and alternative dispute resolution, earning recognition as one of Africa's most influential female lawyers and one of the best litigators in Zambia. She is an accredited Mediator, Arbitrator and a member—MClarb of the Chartered Institute of Arbitrators. Joy is currently serving as an exco member of the Chartered Institute of Arbitrators Zambia Chapter.

Natasha Mutambo is an accomplished Associate Partner and Supreme Court advocate leading the Corporate Department. With over 7 years of experience, she handles complex legal matters in mergers and acquisitions, corporate advisory, tax, finance, mining, intellectual property, and international trade, and excels in litigation and dispute resolution. Natasha guides clients through transactions and compliance, known for her leadership and collaborative approach.

## OUR TEAM

Theotis Mutemi Legal Practitioners comprises of three partners, six associates and support staff with a wide range of expertise in various areas of law. Our lawyers are experienced and assertive with a razor-sharp focus in their approach to find solutions that best serve the client's needs.

Our team employs initiative and a creative approach to problem solving, which allows us to handle simple and complex tasks in an efficient and cost-effective manner.

# OUR AREAS OF PRACTICE

Our firm has two main departments, Litigation and Corporate.

## 1. Business & Corporate Litigation

We advise our clients across a broad spectrum of complex commercial litigation matters. Our team has the knowledge and expertise to represent businesses of every size and across every industry, from large multinational corporations to small family-owned businesses as well as corporate law firms and in-house legal departments in the most challenging lawsuits with the highest stakes.

We understand that each client has unique objectives and resources. We believe in working closely with our clients to understand their immediate and long-term business needs, which enables us in developing individualized legal strategies that best protect their rights and promotes their best interests.

### I. Commercial Litigation

Our firm is distinguished for its prowess in handling complex commercial disputes. With a deep understanding of business laws and commercial contracts, we ensure optimal outcomes for our clients, ranging from multinational corporations to local businesses. Our expertise includes, debt collection, contract disputes, business torts, and shareholder issues.

### II. Family Law

In the sensitive area of family law, our team provides compassionate and robust representation. We specialize in navigating high-stakes divorce proceedings, custody battles, and property settlement agreements with discretion and dedication. Our approach is tailored to protect the personal and financial interests of our clients during these challenging times.

### III. Labour and Employment

We are leaders in labour and employment litigation, adept at defending clients in cases involving wrongful termination, discrimination, and labour disputes. Our firm supports both employers and employees, offering strategic advice that complies with the latest labour regulations and best practices.

### IV. Intellectual Property

Our intellectual property litigation practice protects the innovations and creative works of our clients. We handle cases involving patent infringements, trademark disputes, and copyright issues, helping our clients safeguard their market position and intellectual assets.

### V. Real Estate Litigation

Our firm excels in real estate litigation, addressing conflicts related to property ownership, land use, and leasing disputes. We represent developers, property managers, and individual property owners, providing insights that stem from a thorough understanding of real estate law.

### VI. Environmental Law

In the realm of environmental law, our litigation team expertly handles disputes related to environmental compliance, land use, and natural resource damage. We assist clients in navigating the complex regulatory landscape to ensure that their practices align with environmental standards.

## **VII. Consumer Law**

We are proficient in defending and prosecuting consumer law cases, involving issues such as consumer fraud, product liability, and warranty disputes. Our firm is committed to advocating for consumer rights and providing businesses with the defences necessary to manage risks effectively.

## **VIII. Arbitration and Mediation**

Our firm also specializes in alternative dispute resolution methods such as arbitration and mediation, offering effective solutions that avoid the costs and uncertainties of traditional litigation. We have a successful track record in resolving disputes through these mechanisms, providing a confidential and controlled environment for our clients.

## **IX. Litigation Banking and Finance Unit**

Our Litigation Banking and Finance Unit combines deep sector expertise with proven courtroom advocacy to deliver strategic solutions for complex financial disputes. We represent leading banks, micro finance institutions and corporate borrowers in high-stakes litigation in the following core practice areas:

1. Banking Regulation and compliance;
2. Fintech
3. Securities and Investment Litigation.
4. Debt collection

## **X. Mining Law Disputes**

Our Mining Law Disputes Unit delivers specialized litigation expertise across the full spectrum of mining-related legal challenges. We represent mining companies and investors in complex disputes that involve billions of dollars in assets. Our team combines deep understanding of mining operations with proven advocacy skills to resolve disputes efficiently and protect our clients' strategic interest in the following areas:

1. Mining rights and title disputes.
2. Joint venture and partnership disputes.
3. Regulatory and compliance litigation.
4. Environmental and community relations:
5. Commercial Mining Litigation.

**2. Our Corporate Department** is home to 13 specialised units which provide diverse & specialized services, to both local & international clients.
